

**Certificate of Exemption of
School Entry Medical Examination**

I, _____, parent or guardian of student _____ advise Sunshine State Homeschool Academy (SSHA) that submission of the school-entry examination within one year prior to enrollment in SSHA conflicts with our religious beliefs, convictions, practices, or tenets. Therefore, I request that student _____ be exempt from the school-entry medical examination form that is required under Florida Statute Title XLVIII, Chapter 1003.22.
